

# Respectful Rabbits - Year 1 & 2 Mrs. Heley - Spring 2

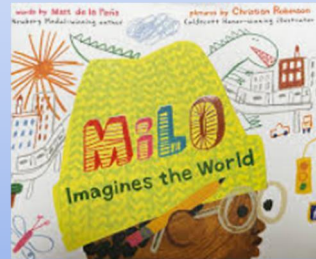

*"It started with a rabbit, not a mouse"*

In our history learning this term we focused on transport through the ages which included a visit from a hundred year old working car!

## Curriculum News

Have you ever passed someone on the street and wondered what their life was like? We travelled with Milo on an exciting train journey doing just that. It was also a great opportunity to combine this with our learning about transport.

Year 2 we have been learning about fractions!

In Year 1 Maths we have been learning about repeated addition and how this links to multiplication.

## What's coming up?

### Looking Forward
