

Rafiki Class Mrs Jackson / Miss Claxton Reception: Summer 1

Curriculum News

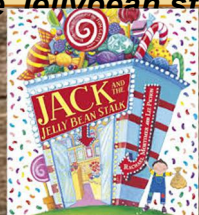

What's coming up?

Mastering Number This half term we have been diving into composition of number and looking at how to make ten. We have also been exploring our number bonds to ten.

English: We have loved listening to Jack and the Jellybean stalk. We have created our own versions of the story..

“Once upon a time Jack was sad because he had to sell his cow. He walked with his cow and saw a man. Then he find 5 gold jellybeans. The mum threw them out of the window and Jack went to bed. Jack smelled the jellybeans out of his window he looked and he climbed up the lollybean stalk.”

Phonics This half term we have been revising our digraphs and trigraphs. We have practiced ‘chunking’ in order to read longer words. We continue to work on our ‘whisper blending’ in order to build our automatic word reading. Check reading records for our latest tricky words.
